

## 4<sup>th</sup> International Management Information Systems Conference : *Industry 4.0*

October 17 – 20, 2017

Istanbul University Congress and Culture Center, İstanbul, Turkey

[2017.imisc.net](http://2017.imisc.net)

### CALL FOR PAPER

The 4<sup>th</sup> International Management Information Systems Conference (IMISC2017) is to be held in İstanbul, TURKEY on October 17-20, 2017. IMISC2017 is hosted by İstanbul University, the biggest and oldest university in Turkey and organized by İstanbul University Informatics Department and Computer Science Application and Research Center. It will be an international platform for scholars, researchers and practitioners to discuss interdisciplinary research and practice in the fields of management information systems and information technology. Also, we aim to bring together the scientific flair of the conference with the unique cultural richness of the historical peninsula of İstanbul.

This year, the special theme of the conference is *Industry 4.0*.

Prospective authors are invited to submit original full papers which were not, are not and have not been submitted /published/under consideration in other conferences or journals.

**Prof. Sevinç GÜLSEÇEN (PhD)**  
IMISC2017 Conference Chair
